Capacity	600 – 800 towels
Material	AISI 304 Stainless steel

Pack Contents

1 x Towel dispenser

Pre - Installation Information

The dispenser is to be fitted in a cabinet (typically over a washbasin or washtrough), with an opening (272 x 120m) that will accommodate the hinged flaps at the base of the dispenser.

Installation Instructions

Step 1

1. Offer up the dispenser to the aperture (the flap face should be flush with the underside of the cabinet) and mark the fixing hole locations. Take the dispenser away.

Step 2

2. Fasten the screws for the 2 lower fixings, leaving 3-4mm of shank visible.

Step 3

3. Hook the dispenser over the screws and press it down into the keyholes slots.

Step 4

4. Fix screws through the 2 upper holes to fasten the dispenser securely.

The front facing of the concealing cabinet can now be installed.

Operation & Maintenance

Operation

The user is to pull the towels from the opening at the base of the unit.

Refilling

The towels are to be refilled as required by loading the new towels through the spring-loaded flaps, ensuring there is a free edge of towel available for the user to grip. The capacity of the unit is approximately 600 – 800 towels (This is dependent on the thickness and grade of towel being used)

Maintenance

The dispenser should be inspected periodically to check that no damage has occurred and that the spring-loaded flaps operate correctly.

Cleaning

Cleaning

All grades of stainless steel will stain or discolour if due care and attention is not taken. The surface must be regularly cleaned to ensure a long service life of the dispenser.

Use a soft cloth or sponge with a mild solution of soapy water as part of the regular washroom janitorial routine. Do not use abrasive or cream cleaners as these will damage the surface finish.

If the dispenser is subjected to a highly chlorinated environment eg swimming pools or marine coastal locations, a further treatment, in addition to the regular cleaning as described above, is recommended by the application of a household cleaning product containing silicone.

If further information is required, contact Lovair technical team for more detailed stainless-steel care guidelines.

Product Warranty

Product Warranty

As thought-leaders and pioneers in washroom style and technology, we continuously strive for the ultimate washroom experience. Our curiosity drives us to refine and innovate, to realise the potential of, and constantly challenge, what washrooms can be.

We are passionate about what we do and proud of what we have achieved and through collaboration with architects and building owners, and by being attentive to users’ needs, we transform washroom experiences.

Demonstrating our commitment to quality and our belief in the strength of our designs, we can offer the following warranties.

Lovair Ltd will warrant that its products will be free of manufacturing and material defects during normal use and environmental conditions as detailed below:

Sensor taps	2 years’ parts & labour
Air Fury hand dryers	1 year parts & labour, plus a further 4 years’ parts only
Ribbon Collection	3 years’ parts & labour
Soap & paper dispensers	1 year
Solid surface hand wash units	1 year for manufactured product; 10 years for material used

If a defect is found in normal use, Lovair Ltd. will, at their discretion, repair, provide a replacement part or product, or make appropriate adjustments. Damage caused by accident, misuse, or abuse is not covered by this warranty. Improper care and cleaning will void the warranty.

Non-operation of the product due to environmental conditions beyond our control, installation error, incorrect maintenance, water quality, fair wear and tear, incorrect or inappropriate installation, misuse and abuse is not covered by the warranty.

Proof of purchase (original sales receipt) must be provided to Lovair Ltd. with all warranty claims. The above warranty is valid for goods supplied within the United Kingdom.

For goods supplied outside of the United Kingdom, Lovair Ltd will honour the above stated warranty periods for the parts only.

LOVAIR LTD DISCLAIM ANY LIABILITY FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES.
